

Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.

Schools may invite parents to make a financial contribution to support the school.

Schools can request contributions from parents under three categories:

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Items and activities that enhance or broaden the schooling experience of students.
